

Ecoval Dairy Trade is a leading international dairy trading company with offices in Europe, North and South America and Australia. Ecoval supplies a wide range of dairy ingredients (milk and whey powders, butter, cheese, etc.) to customers on every continent.

To further grow our trading business we are currently looking for an

### **INTERNATIONAL DAIRY COMMODITY TRADER**

#### Function

- You develop new trade and sales opportunities
- You maintain and expand your network with buyers and suppliers; international traveling is part of the job (about 25-30% of working time)
- You collect and share market information and prepare market reports
- You ensure strict control over financial and logistical processes throughout the execution of contracts, in conjunction with the support of the back office
- You are either located in Europe, Australia or North America and report to the Business Unit Manager

#### Profile

- You have a university degree or equivalent by experience in economics or agricultural business
- You have minimum 5 years experience in a high performance commodities sales / trade role within an international B2B environment
- You are an experienced commercial negotiator, self-assured and with a strong personality
- You are a self starter, result driven, and a team player
- You are mobile and ready for international travel as required
- You are fluent in English and preferably in other languages as well
